

PAGOSA PEAK OPEN SCHOOL

## Lunch Program Financial Assistance Income Eligibility Guide for 2017-2018 School Year

**Children from families whose income is at or below the levels are encouraged to order free or reduced-price meals.**

This chart aligns with the National Free & Reduced Lunch program's income eligibility chart, and can act as a guide for determining how much you may wish to contribute towards daily lunches.

Our lunch program is run on a loyalty system. Paying more than the "full price" cost will help pay for another child's lunch for that day. When ordering your lunches for the week, please select the per-day pricing that your family can afford on our website's shopping cart.
