PPOS was authorized by the Archuleta School District in 2017 and is currently in its second year of operation, serving 95 students in grades K-5. At full build-out, we plan to serve about 140 students, K-8. The school is centrally located in semi-rural Pagosa Springs, in a converted office building which we hope to purchase. Our Lead Advisors work in a collaborative professional environment to inspire students and parents to use innovative educational methods and healthy lifestyles.
